DAVID FLETCHER, DIRECTOR of
OPERATIONS at L'ESCALE

His Favorite Martini

"HOW TO MARRY A MILLIONAIRE"

A martini made with house-infused **Grey Goose vodka and mixed berries** (strawberries, raspberries, blueberries and blackberries)
2 oz. berry-infused vodka
2 oz. house-made lychee purée
½ oz. St. Germain
Splash fresh lime juice
Shake and serve with a lychee nut garnish

“I wanted to infuse liquors in-house for L'escale to create its own unique cocktails. I love the fresh berries that are available this time of year, and when you infuse a high-quality vodka such as Grey Goose with strawberries, blueberries, blackberries and raspberries, the aroma and smell is fabulous. The vodka marinates with the berries for about a week before it is ready for use. It is a great summer cocktail and a perfect aperitif for a summer night out on the terrace.”
