TEA SELECTIONS

Earl Grey

Full Leaf Organic Earl Grey is a blend of black tea and the oil extracted from the peel of the Mediterranean bergamot fruit. This traditional black tea with citrus notes has been a favorite ever since its intro. into. the west in the early 1800's.

English Breakfast and English Breakfast Decaf

Our English Breakfast is sourced from the gardens in the mountains of Sri Lanka. High elevation and lush conditions provide the ideal atmosphere for consistent quality and taste. A full-bodied, vibrant tea that pairs perfectly with milk and sugar.

Lemon Ginger

Bright, zesty lemon and spicy ginger in a pyramid tea bag ensures the full leaf steeps to create the perfect cup.

Mint

Prized for its medicinal benefits and distinctive flavor, peppermint is a naturally occurring hybrid of spearmint and watermint. Made with full leaf peppermint, this blend provides a refreshing, soothing flavor and aroma, with subtle sweetness.

Citrus Chamomile

Hand-sorted whole chamomile with the crisp, refreshing citrusy flavor of lemongrass in a pyramid tea bag ensures the full leaf steeps to create the perfect cup.

DragonWell Green

This famous traditional green tea brews smooth and well-rounded with a gently roasted, pleasant, invigorating aroma.

Jasmine Green

The perfect balance of jasmine aroma with smooth green tea in a pyramid tea bag ensures the full leaf steeps to create the perfect cup.
