Sommelier Suggestions

#201 Gosset, Grand Reserve, Brut

NV 150

Founded in 1584 by Pierre Gosset, Champagne Gosset is currently the oldest Champagne house in Champagne. For more than four centuries Gosset's reputation for quality started from sourcing almost exclusively from premier cru and grand cru vineyards. Grand Reserve is the heartbeat of the production, using primarily Chardonnay and Pinot Noir, with just a touch of Pinot Meunier, the wine spends 3-4 years on the lees to add both texture and complexity.

The wine shows an immediate bright and crisp acidity with a delicate and velvety texture. Notes of black currant and apricot show through with some green apple and citrus and finishing with a note of baked pineapple and brioche.

#290 Andrew Murray, "Enchante", Santa Ynez Valley

2022 95

Andrew Murray fell in love with the emerging Rhône varieties, Syrah and Viognier, in the late 1980's while traveling through France's Rhône Valley. Leaving his UC Berkeley paleontology studies behind to pursue winemaking. The wine gets its name from how French love to kiss cheeks and say "Enchanté" when they greet each other. We have named our Estate-Grown, signature white blend of Roussanne and Grenache Blanc after this expression. These two varieties are truly yin and yang. Roussanne is rich and unctuous, while Grenache Blanc is bright and racy.

A very rich texture wraps around subtle fruity and savory flavors that are as ripe as melons and florals and as complex as hay, earth and green tea. A white Rhone-style blend with a full body, good viscosity and a mouth-coating feel that make a big impression

#1109 Domaine Pavelot, Savigny-Les-Beaune, 1er Cru, "Aux Gravains"

2019 200

Domaine Pavelot has been calling the region of Savigny-Les-Beaune its home for several generations. Now approximating over 13 hectares of vineyards, from Beaune to Aloxe-Corton with a focus on keeping the expression of Burgundian terroir, appellation, and climate its primary goal.

The "Aux Gravains" plot derives its name from the combination of gravel and mixed sediments that make up its soil with some vines being planted as early as the 1930's. The vinification of the wine is 5-10% whole cluster, allowing for a little more body and structure to the wines and a lengthy 2 week fermentation period. The wine then receives malolactic fermentation in barrel, before being aged for 12 months in oak, 25% of which is new.

On the palate, the wine shows notes of dark cherry, plum, and warm earth tones. It has terrific intensity that accentuates the intensity and medium weight of the wine and ends with a touch of minerality.
